**DENIED      OF STATE ENGINEER**

This is to certify that I have examined the foregoing application, denied and do hereby grant the same, ~~subject to the following limitations and conditions:~~ on the grounds that the applicant does not have possession of the land to be irrigated and, therefore, can not place the water to beneficial use.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second.

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use must be filed with State Engineer on or before

Man Filed May 3, 1954 under 14843

WITNESS MY HAND AND SEAL this 31st day

of July, 1957

*Edmund A. Murch*  
State Engineer.
